Wrapping Up 2020 - Hoping for a Homerun!

End of the Year Agenda:

- **Annual Banquet**
- **Skeleton Scramble**
- **Christmas Opening**

It's the ninth inning and the game is almost over, the lead player steps up to bat when suddenly the pitcher throws a massive curveball....hold up...are we talking baseball or softball? Neither...this is simply the game of 2020. We are nearing the end and yet curveballs continue to be thrown. It's a hard decision these days to know whether to cancel something, move forward with it, or put limitations on it all together. No matter what the choice it comes with a cost and not just a monetary one either.

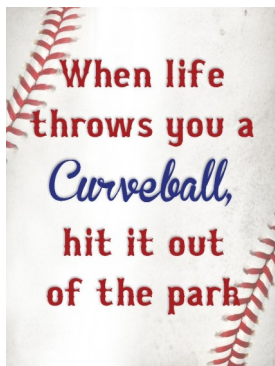

Our first curveball pitch came at us starting with the annual banquet. Tuesday, October 13 was to be a night of fun and recognition and of course delicious food. Unfortunately, the Board of Directors does not feel it is in the best interest of our members and our community to host an event that would gather 100 people indoors where social distancing measures could not be met. It is our hope to be able to recognize our award winners for this year in a new, fun and creative way, so stay tuned.

The second pitch thrown our way feels like a fastball since it will be here before we know it. Our 4th Annual Skeleton Scramble is set to be held on Halloween with a tee-off time of 7:00 p.m. Follow us on Facebook for more information as it becomes available, and hopefully we can hit this one out of the park.

The third and final pitch is most definitely a change up also known as Christmas Opening. Festivities are starting out as normal on Thursday, November 19th with our tree lighting at Union Bank & Trust kicking things off at 5:30 p.m. Members of the community are encouraged to bring a non-perishable food item, a personal care item, or an unwrapped toy to be donated to local causes while social distancing. There will be hot chocolate and cookies served by Union Bank & Trust and fingers crossed Santa's schedule allows him to make an appearance! The changeup is sure to come as we continue to work out the details for the remainder of the evening. Be sure to get those Christmas shopping lists made and take advantage of the amazing deals that are right here, locally, in your own community. Christmas shopping downtown and Christmas shopping on the square are exactly where you are going to want to be on November 19th and we hope to have all the details on our website as they become available.

In addition to Christmas Opening because we haven't struck out yet we plan to continue our retail promotion through the holidays. Starting November 19th, Christmas receipt boxes will be available at participating locations where all you have to do is spend \$5 and put your receipt with your contact information on the back and you could be a lucky winner. Shopping local true pays!

We're not out of the game yet Auburn, so let's dust off our knees and keep swinging as we wrap up 2020 with a few odd pitches and hopefully some homeruns!
