March Madness - Chamber Style No Bracket - Several Opportunities to Win

March Madness Chamber Style doesn't even need a bracket, so don't worry about getting in your picks. As a matter of fact you get to pick to be part of everything and have several chances to win. Really, it's more about everything we have going on that we don't want you to miss out on,

Starting March 1, the St. Jude Spare Change Challenge officially begins. This year we are challenging our Chamber Members to see who can raise more money for St. Jude Children Research Hospital in partnership with the B103 Radiothon. The winner will receive a "sweet treat" from the Chamber Board of Directors. The jars will be collected on Thursday, March 18th with the winner being announced

the next day. Click [HERE](#) for a list of participating businesses.

The next opportunity you have to win is by participating in our "[Show Us Your Green](#)" Contest. This is a contest for any employee of a chamber member. Simply dress up in all your green for St. Patrick's Day. See our flyer on page 4 for more details on criteria and how to submit your picture.

The fun doesn't stop there we will also be having a [St. Patrick's Day Scavenger Hunt](#). Be sure to click the link to join the Facebook Event Page where you will get all the clues you need to complete the hunt on Wednesday, March 17th. Who will be the first one that catches the leprechaun and wins the Pot of Gold?!

MEMBER SPOTLIGHT

This is your friendly reminder that we will be doing a member spotlight RIGHT HERE in our newsletter. Our first one will be in April, but will you be in May?

We want to invite you, our chamber members, to submit your story about your business. Tell us what you wish the people knew about your business. This is your opportunity to brag a little and allow us to share it with other members and the community. We also encourage you to share some helpful tips, lessons learned, interesting anecdotes, and any advice you may have for other businesses or future entrepreneurs.

We hope to be able to have one or two business spotlights right here every month and we can only make that possible with your help. If you're not comfortable writing the story yourself let Tonia know and she will work with you to get it put together. All you have to do is supply the information you want her to share and we will try to get in as much of it as possible.

We are excited to showcase our members and continue to spread awareness to the community all that we have to offer.

If you have any questions or want to submit your story, logo, pictures to go with it please email Tonia at auburnchamberofcommerce@gmail.com
