## Members Coming Together

### Share the Love - Battle of the Businesses

The Auburn Chamber of Commerce is excited to announce our fifth annual partnership with B103 and their St. Jude Radiothon. We will be distributing jars the last week of February so you can have them ready to go on March 1st. Country Cares for St. Jude Kids is one of the most successful radio fundraising events in America and we get to be a small part of that!

This year we are changing things up and instead of challenging surrounding chambers we want to challenge our members to battle it out while still coming together to make a difference. The business with the most spare change raised will have their employees treated by the Chamber Board of Directors. If you have any questions please feel free to contact Tonia at 274-3521 or at [auburnchamberofcommerce@gmail.com](mailto:auburnchamberofcommerce@gmail.com).

#### Auburn Spare Change Contributions

2017: \$50.00  
 2018: \$988.81  
 2019: \$656.38  
 2020: \$382.37  
 2021: \$1000 Goal

Fund's will be collected on Thursday March 18th and presented to B103 Friday March 19th. We will present the check to B103 and announcer our local winner Live on Facebook!

Stay tuned to our website and Facebook for a list of participating members as it becomes available.

# MEMBER SPOTLIGHT

Did you know that Auburn Agency has been opened since July 1983?

Did you know that last month Auburn Design Shop celebrated their 5 year anniversary?

Did you know that Hilltop Dental sponsors a free dental day?

Did you know we have businesses in Kansas that are chamber members?

There are so many great things about our chamber members and we want to make sure the community knows everything they can about how great it is to support your business.

We want to invite you, our chamber members, to submit your story about your business. Tell us what you wish the people knew about your business. This is your opportunity to brag a little and allow us to

share it with other members and the community. We also encourage you to share some helpful tips, lessons learned, interesting anecdotes, and any advice you may have for other businesses or future entrepreneurs.

We hope to be able to have one or two business spotlights right here every month and we can only make that possible with your help. If you're not comfortable writing the story yourself let Tonia know and she will work with you to get it put together. All you have to do is supply the information you want her to share and we will try to get in as much of it as possible.

We are excited to showcase our members and continue to spread awareness to the community all that we have to offer.

We are here to serve the Auburn Chamber of Commerce, its members and community. Let us know how we can help you!

Businesses who elect not to renew their Membership with the Auburn Chamber of Commerce will have **until 3 p.m. on March 1, 2021** to redeem any chamber bucks that have been used at their business.

After this date, only Chamber Members in good standing with a 2021 Membership may redeem chamber bucks.

If you have any questions or need to know more about how to renew your membership please contact Tonia at 402-274 -3521 and she'd be more than happy to get you information.

As always please remember to have the customer sign EACH chamber buck and the employee should also sign the Chamber Buck that's been received with your business name.

Chamber Bucks are treated just like cash at local businesses. In 2020 the Chamber redeemed over \$6,000 worth of chamber bucks and in January 2021 we have already redeemed over \$1,000. Many of our local businesses purchase chamber bucks for employee incentives and giveaways. Thank you to everyone for continuing to support the Chamber Buck program in order to increase shopping local!
