**Christmas Opening - November 19th**

Christmas Opening is set for Thursday, November 19th with our tree lighting at Union Bank & Trust kicking things off at 5:30 p.m. Members of the community are encouraged to bring a non-perishable food item, a personal care item, or an unwrapped toy to be donated to local causes while social distancing.

There will be hot chocolate and cookies served by Union Bank & Trust and the elves tell me that there will be a big red "sleigh" coming through town with a special visitor to help us light the tree!

So be sure to get your holiday shopping lists made and get ready to start checking things off as you enjoy extended holiday shopping hours during our annual event.

Christmas Opening is also the kickoff of our retail promotion as the receipt boxes will be available at participating locations for a chance to win lots of great prizes. All you have to do is spend \$5 and put your receipt with your contact information on the back and you could be a lucky winner. Shopping local true pays!

And don't forget to purchase your Chamber Bucks for an opportunity to win more spending money to get that holiday shopping done!

**Chamber Buck Promotion**

Every Purchase of \$25 in Chamber Bucks  
between October 27 - November 16  
gives you one entry! (No Limit)

This year we will have THREE WINNERS

1 - \$150 Prize and 2 - \$75 Prizes

## Review from My View - From Behind the Desk

They say history repeats itself and today I couldn't agree more. Four years ago when you received your newsletter you would have read the following:

*'I'm human and I make mistakes. The "stress" is truly where I count that I am blessed. I have the endurance to take it all on and I have the ability and the humility to admit if I screwed up. I have the determination and the desire to always improve myself and those around me. I have the heart and the passion to give to our community and to work together as one.'*

This is all very true to this very moment just as it was back then. It's amazing how life can just come full circle and remind us of where we once were and the opportunity to look back on how much we've grown and yet how much we still have yet to learn.

Your patience and understanding has always been appreciated as we navigate through all life throws us both personally and professionally. It is one of my favorite things about this job. As we move forward and continue to adapt to the constant changes it's important that we hear from you. I'm just a phone call away and either myself or a board member would be happy to come visit to hear your feedback and what you need from the Chamber.

I continue to look forward to growing together and making a difference. We are #AuburnStrong #TheBulldogWay #ThePlaceToBee.

The background of the poster is a soft-focus image of autumn leaves in shades of yellow, orange, and red, scattered across a light, hazy background.
